RESPONSE TO NOTICE TO COMPLY

Assistant Commissioner for Patents
Washington, DC 20231

Sir:

In response to the Notice to Comply with Requirements for Patent Applications Containing Nucleotide Sequence and/or Amino Acid Sequence Disclosures mailed October 3, 2000, Applicants respectfully submit a copy of the Notice to Comply, a write-protected, machine readable copy of the Sequence Listing and a paper copy of the Sequence Listing.

Applicants respectfully note that the present submission corrects an obvious, inadvertent clerical error in the as-filed Sequence Listing. In SEQ ID NO:1, the codon for alanine at page 6, line 9, of the paper copy, is incomplete. The only alanine codon ending in "cc" is gcc. Accordingly, the present submission corrects the error in the recitation of the alanine coding as noted, and the present correction does not constitute the addition of new matter. Applicants respectfully note the reference to plasmids on deposit as of the filing date of the application (Australian Government Analytical Laboratories deposits; see the Specification at pages 20-21, bridging paragraph).

Applicants respectfully request that the previously filed paper copy of the Sequence Listing be replaced with the paper copy provided herewith.

In accordance with the requirements of 37 C.F.R. 1.821(f), the undersigned states that the content of the machine-readable and paper copies submitted herewith are the same.

Conclusion

In view of the foregoing, it is submitted that this case is in condition for allowance, and passage to issuance is respectfully requested.

If there are any outstanding issues related to patentability, the courtesy of a telephone interview is requested, and the Examiner is invited to call to arrange a mutually convenient time.

This amendment is accompanied by a Petition for Extension of Time (one month) and a check in the amount of \$110.00 as required under 37 C.F.R. 1.17. It is believed that this submission does not necessitate the payment of any additional fees under 37 C.F.R. 1.16-1.17. If the amount submitted is incorrect, however, please charge any deficiency or credit any overpayment to Deposit Account No. 07-1969.

Respectfully submitted,

Donna M. Ferber
